PROFILE

1. COMPANY OVERVIEW

Company Name: **T&W QUANTUS LTD**

Meaning / Philosophy: “Assessing and measuring project potential (‘quantus’) and delivering complete, end-to-end construction solutions (‘carry’).”

Slogan: Building Excellence, Delivering Trust
Industry: Construction & Project Management

Contact us:

Location: Gasabo-Kigali-Rwanda

Tel: +250780410570

Company email: twquantus2025@gmail.com

Proposed website: www.twquantus.com

T&W QUANTUS derives its name from the Latin quantus, meaning “how much” or “how great,” symbolizing our dedication to accurate evaluation, optimal project outcomes, and excellence in delivery. We turn precise insights into actionable, high-quality construction results, ensuring efficiency, reliability, and measurable impact across every project.

T&W QUANTUS firm based in Kigali, Rwanda, serving clients across the East African region and all over the world. We specialize in **Quantity Surveying -Cost Management, Project Management, Construction Management,** and **Construction Technical Services.** With a commitment to delivering excellence, we combine deep technical expertise, client-centered planning, and sustainable construction practices to execute high-quality, cost-effective projects.

Our multidisciplinary team ensures full-service delivery from concept development and financial planning to on-site execution and final handover. Whether managing multi-unit developments, institutional infrastructure, or renovation works, T&W Quantus is known for its precision, transparency, and reliability. We go beyond building structures; we create lasting value for communities and stakeholders.

At T&W Quantus, our reputation is built on integrity, collaboration, and innovation, guided by our commitment to precise evaluation and measurable outcomes. We combine expertise with a relentless drive to exceed expectations, ensuring every project is delivered with accuracy, excellence, and lasting impact.

2. OUR VISION

To become a leading provider of innovative, high-quality, and sustainable construction solutions that transform spaces and enhance communities. We aim to be recognized for our craftsmanship, professionalism, and precision in every project we undertake.

3. OUR MISSION

Our mission is to deliver exceptional construction services through a combination of expertise, skill, and precision. We provide cost-effective, high-quality, and timely solutions to meet the unique needs of our clients, fostering long-term partnerships built on trust and reliability.

4. OUR CORE VALUES

At **T&W QUANTUS**, we believe in the following core values:

- 1. Integrity:** We operate with transparency, honesty, and ethical business practices.
- 2. Excellence:** We are committed to delivering superior quality in every aspect of our work.
- 3. Innovation:** We continuously explore innovative solutions to meet evolving client needs.
- 4. Collaboration:** We foster teamwork and build strong partnerships with clients and stakeholders.
- 5. Sustainability:** We prioritize environmentally responsible construction practices.
- 6. Customer-Centrist Approach:** We are dedicated to ensuring client satisfaction by exceeding expectations.
